

Welcome

210 Plateau Acres, Bradford, VT 05033

Welcome to Margaret Pratt Community

A caring place in a scenic setting in Bradford, Vermont, Margaret Pratt Community is the newest assisted living community serving Vermont's older adults and their families.

Opening at the end of 2018, our community offers accommodations for 32 Assisted Living Residents and 16 Assisted Living Memory Care Residents. We offer private and shared apartments, comfortable gathering areas, and an unparalleled variety of services and personal care assistance. Carefully planned levels of care, including a special memory care program, allow residents seamless transitions within the community should their needs change.

We take pride in our local non-profit leadership and professional management to offer peace of mind for you and your loved one.

Enjoy Your Life

Situated in a residential neighborhood in Bradford, Vermont, life at Margaret Pratt Community is about making the most of each day. Count on us to handle the chores so you can focus on what's enjoyable.

Our residents enjoy a comfortable, independent lifestyle to the best of their ability. Residents are encouraged to bring their own furnishings and decorate their apartments as they wish, and guests are always welcome, so family and friends are regular visitors at Margaret Pratt Community.

Our dining services team works with local farmers to bring you fresh and local foods for three meals a day, and you can always make yourself at home in one of our fully equipped country kitchens.

Assisted Living

At Margaret Pratt Community extra assistance also means enjoying a comfortable and fulfilling lifestyle. Our Assisted Living Program is offered in a variety of shared or private 1 and 2-bedroom apartments.

Our staff works with each resident to create an individualized plan of care to meet your needs while allowing your independence. Personal care services are included and may include assistance with bathing, dressing, toileting, housekeeping, medication management and more.

ASSISTED LIVING INCLUDES:

- Spacious apartment including all utilities
- Three meals a day plus snacks
- Daily personal care assistance
- Medication management and nursing oversight
- Housekeeping and laundry service
- A robust and engaging schedule of social, cultural, and spiritual programs
- Registered Nurse on staff
- 24-hour emergency response system
- 24-hour staffing
- Scheduled transportation

ASSISTED LIVING APARTMENTS INCLUDE:

- Kitchenettes with cabinets, sink, refrigerator and microwave
- Accessible bathrooms with walk-in shower
- Carpeting
- Individually controlled heat and air conditioning
- Emergency response system (pull cords and wearable pendants)
- Telephone, cable television and internet

The Gardens Memory Care Program

When a person you love is experiencing chronic memory loss, whether from Alzheimer's disease or another form of dementia, the entire family is affected.

The Gardens Memory Care Program at Margaret Pratt Community is inspired by the idea that we are all capable of continued growth if properly nurtured and provided the right environment. The Gardens program is named for both the literal garden, the outside space that is an important part of our memory care program, and for the figurative elements that a garden provides, which are incorporated into the daily routines of this special program.

Our secure neighborhood provides the most innovative care available in a state of the art setting. Utilizing the widely accepted practices for care published by The Alzheimer's Association, The Gardens program will care for your loved with the respect and dignity they deserve.

MEMORY CARE INCLUDES:

- Private studio or semi-private apartment with private bathroom
- Three meals a day plus snacks, scheduled to meet resident needs
- Comprehensive 24-hour daily therapeutic activity program
- Life skills stations and specialized programs
- Daily personal care and medication management
- Housekeeping and personal laundry services
- Scheduled transportation (personal escorts available)
- 24-hour staffing and emergency response
- Secure indoor and outdoor environment
